BOOK SALE AFTER SCHOOL – Wednesday 1st March

James Campbell Author Visit

James Campbell is coming to our school next week, on Wednesday 1st March. James is an author, storyteller and a comedian who will be working with Years 1 and 2 (KS1) at Westfield.

James' books are available in all the usual bookshops and online places including www.jamescampbellauthor.com, but he is also bringing a box of books with him to sell after school. The books can be signed by him and dedicated to your child. Hopefully this will help cement the experience of meeting a real author and inspire our children to write for themselves.

James will have a stall set up straight after school between the infant and junior schools as he is seeing children in both KS1 and KS2.

James has a card reading machine so he is able to take contactless payments, Applepay etc. He can also take cash.

James' new book is called *The Funny Life of Football*. A hilarious fact and fiction hybrid. Whether you love a game of TABLE FOOTBALL, can't get enough of BACK-GARDEN BALL, only enjoy the game from your SOFA or would sooner swim with sharks than play it, if you LOVE to LAUGH – then this is the book for you! This book costs £7.

Write Your Own Funny Stories and is published by Bloomsbury. It's a hilarious mixture of creative writing inspiration and exercise book. The idea is that as your child works their way through reading the book they also write their own funny book. It's a great lockdown project for anyone between Y2 and Y6. This book costs £7.

The Funny Life of Sharks is great for anyone who loves sharks, is terrified of sharks or anyone in between. Join James on his journey to discover more about these amazing animals. Great for anyone Y2 and above. This book costs £8.

The Funny Life of Teachers is a hilarious look at the world of teachers that everyone from Y2 to Y6 will love. It's particularly good for reluctant readers. Don't however, let teachers read it! This book costs £7.

The first book in this series is called *The Funny Life of Pets* and looks at humour to be found in cats, dogs, hamsters etc. This book costs £7.
