Thurs 4 th Jan	School Reopens	All

Parents and carers are invited to come along and watch their child's Christmas performance. Doors will open into the hall ten minutes before the start of each performance. The children will have been working extremely hard to be able to bring you these special events. Please be respectful as an audience and not talk through the performances. To avoid overcrowding in the hall we ask that only 2 adults attend per child and any younger siblings sit on their parent's lap. Seating is limited and some of the audience may be standing. If you have mobility issues and need assistance, please speak to a member of staff. Please leave prams and pushchairs outside under the shelters. We regret we cannot release siblings out of classes to watch the performances, but they will all get the chance to see the dress rehearsals in school time. At the end of the performances, we will be taking a collection for our PTA which is a registered charity (no. 1054992). This year we are raising money to improve our school reading areas and to encourage the children to read for pleasure.

Thank you for your support. If you have any questions, please feel free to ask.
