

Subject: Studybugs – report absence securely and help improve children’s health

Dear Parent,

We’re pleased to announce that Watton Westfield Infant & Nursery School is introducing a new, more efficient and secure system for reporting your child’s absence, called Studybugs.

You will no longer need to call or email the office to report your child’s absence. Instead, please get the free Studybugs app (the icon is a green shield with a cross in it), or register on the Studybugs website (<https://studybugs.com/about/parents>), and use it to tell us whenever your child’s ill and unable to attend school.

Top 3 reasons to use Studybugs

1. It’s integrated with our systems so we know right away if your child is unaccounted for.
2. It’s quick and easy to register and to use and automatically reminds you to keep us posted.
3. You’ll be helping the NHS and other public health organisations improve children’s health. (<https://studybugs.com/about/schools>)

Get the app or register now (<https://studybugs.com/about/parents>)

Thank you,

Watton Westfield Infant and Nursery School
