

SRB Overview Autumn 2

We will be learning:

In Science, we will be learning about materials and what they can be used for.

In History, we will be learning about Vikings and what life was like.

In Geography, we will be learning about where Viking came from and where they settled naming some of the countries, counties and cities.

In DT, we will be designing and then making Viking long boats and Viking shields.

In Music, we will be making a Viking song/Christmas Carols.

In PE, our topic yoga. We will also be practising skills like throwing and catching.

In Computing, we will be researching about Vikings for some of our foundation subjects.

The Whale

By Ethan and Vita Murrow

Key Maths skills for your child:

- We are focusing on addition and subtractions. We will be using a range of manipulative to support out learning.
- Some children will be learning the column method for addition and subtraction.
- Some children will be learning how to exchange for addition and subtraction.

Key English skills for your child:

- Learning the structure of a sentence.
- Learning and understanding new vocabulary.
- Using full stops, finger spaces, capital letters and commas correctly.
- Learning about adjectives, adverbs and conjunctions.
- Writing descriptive sentences using taught skills.

At home you could:

- Continue reading
- Practice your spellings.
- Practise your times tables.
- Talk about your learning that you have done in the SRB with your family.
- Write some descriptive sentences about your home.
