

In maths we will be learning to:

- Understand multiplication
- Know how to multiply a 1-digit number by a two-digit number
- Recall 7- and 11-times table and notice patterns within these tables.
- Recognise features of 2D shapes.

In English we will be learning to:

- Discussion and recording of ideas
- Organising paragraphs around a theme.
- Use simple organisation devices (headings / subheadings) in a non-fiction text.

Ongoing Skills:

- Daily 1:1 reading and story sharing.
- Using appropriate punctuation.
- Handwriting practice
- Precision Teaching for Reading / Spelling

Our Core Story is:

The Ever- Changing Earth
By Grahame Baker- Smith

Our SEMH focus will include:

- Exploring the core emotions through individualised ELSA sessions.
- Sensory pathways.
- Mindfulness and relaxation techniques.
- Colour Monster Emotions
- Sense of self
- Neuroscience – the hand brain model

We will also be learning about:

Science:

- Rocks and fossils
- Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties.
- Describe in simple terms how fossils are formed when things that have lived are trapped within rock.
- Recognise that soils are made from rocks and organic matter.
- Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

Geography:

- Understand the key aspects of physical geography – underneath the Earth's surface.
- Understand and explain how volcanoes are formed
- Explain the causes of earthquakes and how to stay safe during one.
