

Watton Junior School News

A Message from our Leadership Team.

It's hard to believe we have reached the end of another exciting half term! We have witnessed some truly remarkable learning across the classrooms, with children engaging enthusiastically in their lessons and displaying a genuine thirst for knowledge.

Years 3 and 4 have had a fantastic time making their own soup, which not only nurtured their culinary skills but also linked beautifully to their lessons on nutrition and healthy eating. Years 5 and 6 enjoyed an unforgettable trip to Norwich Castle, where they immersed themselves in history, igniting their curiosity and enriching their understanding of the past. Additionally, our celebrations for World Book Day brought forth a delightful wave of enthusiasm as students explored the magic of literature. It was heartwarming to see so many children showcasing their favourite characters and participating in various activities aimed at boosting their interest in reading.

As we approach the Easter break, I would like to wish you all a wonderful and safe holiday. Enjoy the time with your families, and we look forward to welcoming our students back, rejuvenated and ready for more learning adventures!

We raised a total of
£140.90

Over this spring term children who attend Thrive, Young Carers, and Forces Family have focused their attentions on their hero's at home. They all drew portraits of their hero's and then invited them into the school to show them and do other activities together.

EASTER COMPETITION

Charity ref: 1054992

Well done to all the children that entered our Easter plate competition. They all looked amazing and it was very hard to judge. They have really brightened up the office. The winners are:

Finley Poole Y4

Noah M—Y3, Juliet B—Y4

Belle F—Y5, Corey C—Y5.

Happy Easter everyone.

We raised £90 which is split between PACT and the PTA.

Forest School Gold Award

We are increasingly having cases of inappropriate use of WhatsApp brought to our attention. First, we would like to remind you that the minimum age requirement to use WhatsApp is 13. We have had reports of cyber-bullying, inappropriate images being sent, swearing, homophobic and racist language being used, and children being added to groups with people who they do not know. By allowing this to happen, parents are putting their children at risk. Schools do not and cannot police what is happening on WhatsApp and would direct you to report any incidents to the police.

The children who were picked out for gold award really enjoyed cooking sausages on the fire.

If you haven't already, please get the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child's ill and unable to attend school.
