

## Team Aldrin Overview, (Summer 1, 2024 – 2025)

### In maths we will be learning to:

- Understand what a fraction is.
- Learn how to find fractions of amounts.
- Understand improper fractions and converting them to mixed number.
- Adding and subtracting fractions.

### In English we will be learning to:

- Learning about prefixes and suffixes and how they can change the root word.
- Use a range of punctuation for parenthesis.
- Use modal verbs to indicate degrees of possibility.

### Ongoing Skills:

- Daily 1:1 reading and story sharing.
- Handwriting practice
- Precision Teaching for Reading / Spelling

### Our Core Story is:

The Hidden Forest

by

Jeannie Baker

### Our SEMH focus will include:

- Exploring the core emotions through individualised ELSA sessions.
- Sensory pathways.
- Mindfulness and relaxation techniques.
- Colour Monster Emotions
- Sense of self
- Neuroscience – the hand brain model

### We will also be learning about:

#### Science:

##### Plants

- For children to understand the parts of a plant and their functions.
- To carry out a fair test based on plant growth.
- Investigate different seeds and their purpose.

#### Art:

##### Exploring our sense of self:

- To represent ourselves using collage techniques.
- To improve our sketching skills using charcoal and pencils.
- To create a sculpture that represents us.
