

2nd June 2025

Dear Parents and Carers,

Please be advised that from 1st September 2025, we will be increasing the fee for privately funded childcare such as non-government funded nursery hours, breakfast club and after school club to £6.30 per hour, or part hour thereafter, not including meals. Breakfast will be available to those attending breakfast club for £1.00. Nursery lunches are available at £2.42, and a light tea is available for those attending after school club for £2.00 in addition to the basic childcare cost.

We have reviewed our prices in line with other local providers and have had to make the increase to cover the growing cost of providing the service.

Nursery places for September 2025 will be offered later this month, and breakfast and after school club dates for 2025/26 will be released in July 2025.

Please do not hesitate to ask if you have any questions.

Kind regards,

Mrs R Mather
Acting Executive Headteacher
