

In maths we will be learning about:

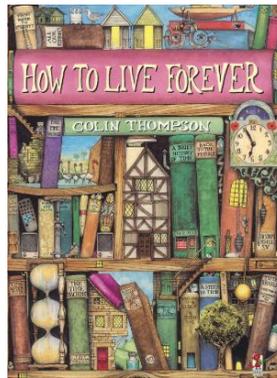

- Decimals and understanding the structure of them.
- To understand the equivalence between decimals and fractions.
- Order and compare decimals up to 3 decimal places.
- Identify the properties of 3D shapes.

Our Core Story is:

How to live forever

By

Colin Thompson

In English we will be learning to:

- Draw inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence.
- Predict what might happen from details stated and implied.
- Use inverted commas and other punctuation to indicate direct speech.

Ongoing daily skills:

- Daily 1:1 reading and story sharing.
- Using appropriate punctuation.
- Handwriting practice.

Our SEMH focus will include:

- Exploring the core emotions through individualised ELSA sessions.
- Sensory pathways.
- Mindfulness and relaxation techniques.
- Colour Monster Emotions
- Belonging
- Neuroscience – the hand brain model

We will also be learning to:

Science:

- Explore and identify a range of light sources including natural and artificial sources.
- To understand the harmful effects of the sun and explore ways to protect their eyes from the Sun Rays.
- Understand how the eye works and how we see.

History:

- Understand events beyond living memory with a particular focus on the Romans.
- We will be looking at their art, culture and architecture and making comparisons to how we live now.

Cooking:

- Pupils can weigh out a range of ingredients.
- Use different mixing techniques
- Understand the importance of good food hygiene.
- Understand the importance of a healthy and balanced diet.
