1.0 Aims

The principal aim of our schools is to lay the foundations for the future intellectual, physical, social, moral and cultural development of each child.

We are committed to providing an ambitious, knowledge-rich curriculum that empowers every pupil to achieve their full potential, regardless of their starting point. By delivering evidence-informed teaching within a purposeful and inclusive environment, we ensure that our resources are focused on the academic success and personal development of every child.

We recognise that, to support all pupils to achieve our ambitions for them, a close working relationship between home and school is essential. As partners in your child's future, our schools are committed to forging relationships based on mutual trust, understanding and sensitivity to the needs of each child.

2.0 Roles and responsibilities

2.1 Schools

We will do our best to:

- Support your child's wellbeing and safety by providing a safe, supportive and caring environment
- Help and encourage your child to reach their full potential
- Monitor and communicate with parents and carers regularly on your child's progress
- Provide a broad and balanced curriculum that caters for all children
- Promote high standards of behaviour so we can maintain a safe environment for all children
- Offer your child opportunities to develop a sense of responsibility, form healthy social relationships and build their self-esteem
- Set homework that supports the delivery of the curriculum and mark it where appropriate
- Offer opportunities for parents and carers to get involved in school life
- Communicate between home and school through notices, newsletters, text, ClassDojo email and the school website
- Respond to communications from parents in a timely manner, following school policies
- Encourage good attendance and address any concerns with parents or carers where necessary

2.2 Parents and carers

I will do my best to:

- Make sure my child attends school regularly and on time. I will notify the school office by 9am if my child will be absent
- Make sure my child is dressed in the correct uniform or PE kit where necessary
- Support the school to make sure my child maintains a consistently high standard of behaviour
- Encourage my child to try their best so they can reach their full potential

- Communicate to the school any concerns that I have about my child that may affect their behaviour in school or ability to learn
- Make sure communication with the school is respectful, and that I make every reasonable effort to address my communications to the appropriate member of staff
- Understand that I should try to communicate with staff during core school hours, and although they may at times respond outside of those hours, this cannot be the expectation
- Make sure that my child completes their homework on time, and raise any issues that my child has with their teachers
- Read and follow the school's policies
- Treat all members of the school community with care and respect
- Engage in parent meetings and work together with the school in order to achieve the best outcomes for my child
- Read all communications sent home by the school and respond where necessary

2.3 Pupils

I will do my best to:

- Arrive at school on time and ready to learn
- Wear the correct school uniform and PE kit
- Bring only the equipment I need each day
- Do my homework and bring it back to school on time
